## **NOMOTC President Misty Fry to Attend the 4<sup>th</sup> Annual TTTS Race for Hope on Sunday, November 11, 2007 in Denver, Colorado**

(November 5, 2007 – Franklin, Tennessee) The National Organization of Mothers of Twins Clubs, Inc. (NOMOTC) a national support organization founded in 1960 and comprised of local chapters and individual members primarily concerned with education and research pertaining to multiple birth children and serving over 26,000 members, over 400 clubs in 44 states across the country announces support for the **4<sup>th</sup> Annual TTTS Race For Hope on Sunday, November 11, 2007** at Washington Park in Denver, Colorado. NOMOTC president, Melissa (Misty) Fry, from Northern California will be flying to Colorado to participate and show support for this national event designed to spread awareness and to restore hope for families dealing with Twin-to-Twin-Transfusion Syndrome (TTTS) and other fetal syndromes. All funds raised by this national charity event that started in Denver and is in its' 4<sup>th</sup> year will be benefit the Fetal Hope Foundation ([www.fetalhope.org](http://www.fetalhope.org)). "NOMOTC applauds the work of the Fetal Hope Foundation and we are extremely excited to show our support by sponsoring their national family festivals for each TTTS Race for Hope across the country," says Misty Fry, president of the National Organization of Mothers of Twins Clubs, Inc. and mother to fraternal twin girls age 19. "We invite everyone to bring their families out to this worthwhile charity event and post race festival since there will be lots of interactive games and fun for the kids like face painting, a fun bounce and more," adds Fry. While in Colorado, Misty Fry will also have the opportunity to meet with many members of their organization from across the state and will also be able to network with the members of the Colorado Parents of Multiples, the state organization for parents of multiples and they will also have a booth at the TTTS Race for Hope Sponsor Expo. "We are fortunate to have several volunteers that work for NOMOTC in many capacities that live here in Colorado and I look forward to visiting with them while I am here," says Fry.
