

"TWO BY TWO"

EDGE FUND

Pass it on

Give "two"

IT JUST TAKES 'TWO' TO PASS IT ON

As parents of multiples, we know that two or more can be a lot: a lot to handle during a feeding, a lot to coordinate during the school years, a lot of worry when teens head off to college, a lot of love to fill your heart.

JUST TWO will also be a lot for the EDGE Fund.

The EDGE Fund is our organization's endowment. An endowment by definition allows for future growth of an organization. More specifically, it's a way to "pass on" the support, education, and friendships that are helping you in parenting your multiples, a way to reach out to other multiple birth parents now and in the future, a way to continue the cycle of support provided by National and its member clubs.

JUST TWO can do all of that? Have no doubt. "Two by two" we are a powerful force. After all, we are an organization of over 23,000 members, so if every member joins in and "gives two" dollars...well, the results will be amazing! Together, we will build an EDGE Fund that will pass on National's mission of serving parents of multiples to clubs now and for generations to come.

In the last year, many members have given JUST TWO to the Fund. One club offered the option of giving two dollars to the EDGE Fund along with payment of their annual dues. Some clubs collected two dollars from members during a meeting. One state organization collected donations and donated them in memory of a founding member.

Whether as a club, an individual, or with JUST TWO of your friends, consider joining other members in sustaining the future of National. Donations of any size are certainly welcome, but we know first-hand how raising multiples puts a strain on the family budget, particularly in these hard, economic times. So all we ask is that you.....

Pass It On. Give Two.

Mail donations payable to: EDGE Fund, 2000 Mallory Lane, Suite 130-600, Franklin, TN 37067
